week. It is where a new realm of experiences are opened up to you. It is where you learn how to cook your first exotic meal and make your first observations in Biology count. It is the thrill as you get that big-kid feeling slipping on your class ring for the first time. It is coming to school on a brisk morning and goofing around with your friends before class. It is the heart-stopping second when you are told to report to the office over the P. A.

It is learning to do as a group. Having your handwriting analyzed at an assembly, eating together in the cafe, going to Government Day, and it is the togetherness of the smile in defeat, or the laughter in victory at that all-important big game.

And so, too, Fremont High is

The 1968-69 Fremont High School Chair, under the direction of Mrs. Culling, was one of the best in years. The riability allowed them to perform Handel's. Messiah inever before done by the chair here. On March 20, Fremont hosted the Seaway League Invitational Charat Festival, and the chair performed there. Later, the chair finished their fine year in the Spring Concert. They will sing as always in the traditional graduation.

Work Crew, a select singing group comprised of the best voices in the school, had twenty people and an excellent sound. Mrs. Cuiling directed the group, which rehearsed after school hours twice a week. They sang at the Christmas Concert in December, at the Seaway Festival, and again at the Spring Vocal Concert.

Fremont High School Charus, though plaqued by a lack of male voices, performed well on three occasions. With the able leadership of Mrs. Cu ling, they sang at the Christmas Concert, alone and with the mass chair at the Seaway Festival, and finished the year at the Spring Concert.

This year our school was fortunate enough to have four exchange students visit us and stay with Fremont families. Caty Lingebrant, from Sweden, stayed with Martha Manildi's family. Eleanora Bergimini, from Brazil, had been Lindo Sherman's sister when Linda visited her country and stayed with the Shermans. Divani Mogames, also from Brazil, stayed with Carol Sue Brink's family and Gisela Langer, our German visitor, homed with Jeanne Hostetler's family.

Fremont also sent students abroad to have unique and interesting summers in other countries. Molly Brookhouse, Lynn Hoyt and Karen Luchie toured the historic country of Germany. Linda Sherman visited our South American neighbors in Brazil and Jill Hartsema traveled to Sweden.

NINETEEN HUNDRED AND SIXTY NINE

Fremont Junior High Is

the "big kid" feeling you get when you go to a junior high instead of an elementary school and the "little kid" feeling you have after the first week of razing by eighth and ninth graders. It is packing 85 kids in a bus meant to hold 60. Junior High is also a median between adulthood and responsibility and childhood and carefree days. It is another step on the road to a higher education

Junior High Class Officers

BEING IN THE NINTH GRADE IS

the anticipation of being in the high school next year. It is the thrill of being able to choose your own classes. It is attending your first dance and trying to disguise the fact that you are only a ninth grader. Being in ninth grade also means the good fortune (?) of having gym all year,

Ninth grade officers were (seated) Mark Purcey, Secretary, Jerry Fisk, President; (standing) Tim MacDonald, Vice-Presi dent: Steve Busch, Treasurer

being neither old enough to be considered sophisticated nor young enough to act childish and get away with it. It is also being both looked up to and

BEING AN EIGHTH GRADER IS

down upon.

Secretary, (Standing) Jim Straven, President; Tany Norkus, Vice-president

Eighth grade officers were (seated) Jan Witteveen, Treasurer; Rhondi Moe

SEVENTH GRADERS ARE

the youngest of junior high students. They serve as scape-goats and objects for eighth and ninth grade jokes. But they do have the feeling of superiority which comes upon entering a junior high and seeing high school and college days that much closer

Seventh grade officers were (seated) Kim Wever, Secretary; Tracy Fenner, Vice-President, (Standing) Rick Crisp, Treasurer; and Kurt Sanderson President

Congratulations on a fine yearbook. We are pleased that we were selected to be the publishers.

FREMONT Printing COMPANY

CONGRATULATIONS, CLASS OF '69, FROM THE MOGUL STAFF

With this, the final page of the 1969 Mogul, my two-year yearbook career at F.H.S. draws to a close. So, too, does my six-year term of being a student in these hallowed halls, along with some other 177 Seniors.

I hope as you paged through the book this year you found something of interest to you. We tried to portray life at F.H.S. as we see it, the fun and carefree moments, and the serious side too. All in all we tried to show the people and events that go into making F.H.S. what it is.

I would like to extend personal thanks to my advisor, Miss Werner, for her help throughout the year, and to my staff—without them the Magul would not have been possible. Also thanks go out to our printer, our photographer, and to all the area businessmen who supported us through this year. Finally I would like to thank all of you students for your devoted faith in the Magul this year.

And so I must say good-by to F.H.S., but, like many other Seniors, I'll have my 1969 Mogul to look at now and again and be able to say "This was Fremont High . . . "

Sincerely yours,

Wayne Johr Editor-in-chief
